

## *Benefit for Nathan Braun*

Nathan Braun, 10-year old son of Todd and Yvonne Braun from Kasson, is battling cancer. On July 24, 2009 Nathan was diagnosed with Acute Lymphoblastic Leukemia. He will have chemo treatments for the next 3 to 3 ½ years.

Two events will be held to raise money to help Nathan and his family with his medical expenses. Thrivent Financial is helping to sponsor these events.

Accounts are set up at Eastwood Bank and Kasson State Bank.
